## CHRISTAN EDUCATION NOTES

### LOGOS

First Presbyterian at Caldwell is proud of its successful LOGOS ministry! For over 10 years children have learned, played and been mentored through this program. We have an opportunity to work with the young people helping them come to know our Lord in a Christian community setting. Logos meets on Wednesdays from 4:00 - 7:00PM and is open to children in grades 1 through 5.

The four parts of our LOGOS weekly ministry program are:

**Bible Study** - nurtures youth and children into intelligent and biblically-informed discipleship. In grade level groups, each LOGOS class uses a curriculum that is designed to meet their unique needs and learning capabilities. During the first session we will be using Parable Quest

**Choir** - Worship is essential and central to the Christian community. Young people learn about worship and prepare to lead in the Sunday morning service of worship.

**Play** - allows LOGOS young people to experience great fun at the expense of no one else. They participate in games and active play or arts & crafts. When we reveal ourselves in play, we strengthen friendships.

**Dinner** - Family Time provides a joyous, intergenerational celebration of personhood over a shared meal as LOGOS young people experience being part of the family of God. Young people are assigned to tables along with one or two adults who act as "table parents." The group around the table becomes a family as they share meals together throughout the year. Food is served family style. Conversation is purposeful. Life is celebrated!

**Registration Forms are available on the Christian Ed Desk.** This program is successful only because of dedicated volunteers. Please do your part in this family ministry. If you can make a weekly commitment, please consider one of these positions: Table Parent, Bible Study, Recreation, Craft, Child Care, Kitchen or Clean-up

Kid's fingerprints leave a mark on your heart. There are several Sunday School Teacher positions available. These teachers will be sharing the teaching with an experienced teacher. It will be a shared position so the volunteer will be able to trade off Sundays. Grades available:

2 and 3 year old class

First Grade

Second Grade

If you can help teach a class, please contact Christina Turkington in the church office during the week (973-228-0310 or online at Christina.Turkington@comcast.net).

**SUNDAY SCHOOL NOTES** Registration for Sunday School is in process. There are forms on the Christian Ed desk and you can also print the form from the church's website.

## CHURCH LIBRARY NEWS

For your convenience, we again have book carts in the rear of the sanctuary. One cart is filled with children's books which they may look at during the service or sign out and take home. The other cart has some light summer beach reading for adults as well as heavier non fiction reading. There is a cart in the library filled with books for teens and tweens. Also, don't miss the latest Veggie Tale DVD's and family DVD's for a rainy day. They can also be found in the library.

As always, **PLEASE SIGN OUT ALL MATERIALS IN THE APPROPRIATE MANNER.** You may sign books out in the sanctuary and leave the book cards on the cart, but when returning books, please drop them off in the library.

## AUDIO MINISTRY

Our Congregation is blessed with the special skills of Don Spitzmiller who records our worship services each week. The CDs are available by midweek. You are invited to take them for your own use or to share them with someone who might need a lift or has missed Sunday worship.

The Audio Ministry is supported financially by the Deacons, who pay for the supplies necessary. Each week the Church Office mails CDs to members who are unable to be in worship. If you know of someone who would enjoy receiving a CD, please let the Office know.

**SOUP KITCHEN NEWS**

We start off the new season on September 25th. We have all our dates open and hope you will come and experience this wonderful time of service. We encourage all members of our Church Family, including our young people, to participate. Our youth representation was wonderful and many positive remarks regarding our young people were passed along to us. Our youth did us proud, as always. Remember, Soup Kitchen is the fourth Saturday of every month. Sign up and make a difference. Contact Joyce McGrath, 973-325-1891.

Enjoy the rest of your summer and we look forward to seeing you in September.
