## **ASSISTED PARKING IS HERE!**

If you have ever had difficulty attending church because you are physically challenged and couldn't find parking close enough to a church entrance, Assisted Parking is for you.

We all know that finding a parking spot can be challenging on Sunday mornings at First Pres. In keeping with our motto of "First Pres: Changing Lives", we would like to offer a solution.

The staff parking lot on Westville Avenue will be reserved for those who are able to drive themselves to church, but may have physical limitations that make it difficult to walk long distances.

Simply drive into the church semicircular driveway on Westville Avenue any time after 9:15am where a representative will be waiting. Indicate to the representative that you are in need of Assisted Parking and you will be directed to a space.

Assisted Parking will be available on an 8-wk trial basis, ending on Sunday, May 26th. It will become a permanent service if there is enough demand.
