

# Beyond IQ:

## Why Character Matters In Education

*Hard work  
and  
deliberate  
practice can  
often be  
more  
important  
than IQ!*

Hosted by a panel of local educators, we will discuss the values of hard work and deliberate practice. We will consider how these qualities affect student's learning through the developmental stages.

**Wednesday January 29, 2014  
7:30PM**
