WE'RE LETTING THE CAT OUT OF THE BAG

Imagine a friend asks you to describe your church. What would you say? Chances are your answer would come from what you like about the church and what you have experienced, but no one person could give a full picture or know how other people feel.

Until now!

Now you can help us change that as we "let the CAT out of the bag." CAT stands for Congregational Assessment Tool. This online instrument (also available on paper) will help our church gauge the strength, vitality, and trends in our church. The information gained from this assessment will be valuable in helping our church make decisions about the future and what skills to look for in our next called pastor.

From now through mid-August, our CAT survey is available online and on paper as needed. Our preference is that you complete and submit the survey online. If you prefer, you can print the pdf version from the link below, complete it on paper and return it to the church office where we will arrange to have someone enter it online. We can schedule time for someone to help you fill it out either online or on paper. Everyone who is a regular participant in our congregation is encouraged to complete this survey about their faith experience in this church. The more people who participate, the more useful the results will be.

Your CAT survey link is here: <https://www.surveymonkey.com/r/FPCCALDWELLNJ>

Your paper copy of the survey is here: [First Presbyterian Church at Caldwell, NJ](#)

The survey is 104 questions. It took a Coordinating Team member 45 minutes to go through the survey and answer all questions online. Please note that you must be complete the survey during one online session. Since you cannot stop and return to finish later, it may be helpful to open the pdf link and read the survey before beginning your online session. After you submit, the site does a good job explaining why the survey is so long and detailed.

If you prefer a paper copy to fill in and do not have access to a printer, please contact the church office (973) 228-0310. One will be mailed or delivered to you.

Please let us know if you have any questions or concerns. This is an important first step in selecting our new pastor. Thank you for your help in making this survey a success!
