GATHERING SONG

“All The People Said Amen”

Matt Maher

You are not alone if you are lonely
When you're feeling frail, you're not the only
We are all the same in need of mercy
To be forgiven and be free
It's all you got to lean on
But thank God, it's all you need

And all the people said Amen, whoa, oh-oh
And all the people said Amen
Give thanks to the Lord, for his love never ends
And all the people said Amen

If you're rich or poor, well, it don't matter
Weak or strong, we know love is what we're after
We're all broken, but we're all in this together
God knows we stumble and fall
And he so loved the world he sent his son to save us all

And all the people said Amen, whoa, oh-oh
And all the people said Amen
Give thanks to the Lord, for his love never ends
And all the people said Amen

Blessed are the poor spirits who are torn apart
Blessed are the prosecuted and the pure in heart
Blessed are the people lonely for another start
For this is a kingdom, the kingdom of God

And all the people said Amen, whoa, oh-oh-oh
And all the people said Amen
Give thanks to the Lord, for his love never ends
And all the people said Amen

WELCOME & ANNOUNCEMENTS

“Beautiful Things”

Michael Gungor

All this pain
I wonder if I'll ever find my way
I wonder if my life could really change, at all

All this earth
Could all that is lost ever be found?
Could a garden come out from this ground, at all?

You make beautiful things
You make beautiful things out of the dust
You make beautiful things
You make beautiful things out of us

All around,
Hope is springing up from this old ground
Out of chaos life is being found, in you

You make beautiful things
You make beautiful things out of the dust
You make beautiful things
You make beautiful things out of us

Oh, you make beautiful things
You make beautiful things out of the dust
You make beautiful things
You make beautiful things out of us

You make me new,
You are making me new
You make me new,
You are making me new

You make me new,
(You make beautiful things)
You are making me new
(You make beautiful things out of the dust)
You make me new,
(You make beautiful things)
You are making me new
(You make beautiful things out of us)

“Rebuilder”

Carrolton

The rubble and the wreckage
I'd forgotten who I was
You reached out for my hand
And found me in the dust
My soul had given up
You wouldn't leave me undone

Rebuilder
My walls were crumbling
Restorer
You brought the light into the room
And filled my lungs, so I could learn to breathe again

My Shelter
My warmth in the coldest night
My Helper
You held me up 'till I could stand
On the promise that You are
Rebuilding me

I have seen the dawn
Start to break between the cracks
The beginnings of a day
I never thought would come to pass
You brought me back to life
You're the morning in my night

Rebuilder
My walls were crumbling
Restorer
You brought the light into the room
And filled my lungs, so I could learn to breathe again

My Shelter
My warmth in the coldest night
My Helper
You held me up 'till I could stand
On the promise that You are
Rebuilding me

To the one I am today
With all my fear and shame
You rescued my heart and showed me
That joy can come through pain
You brought dancing to these streets
My second chance for peace

Rebuilder
My walls were crumbling
Restorer
You brought the light into the room
And filled my lungs so I could learn to breathe

My Shelter
My warmth in the coldest night
My Helper
You held me up 'till I could stand
On the promise that You are
Rebuilding me

Oh, You promised that You are
Rebuilding me
